A CHURCH ON THE WAY

# Open Evening about the Future of Weston Rec

## And getting more sport and recreation going in this area

Thursday 6 October | 7:30PM

**Weston Hub, Penn Hill Road**

This is an opportunity to get together to think about sport and recreation in the Weston and Newbridge area. There's lots happening already but there could be a whole lot more.

Weston Rec has no facilities, and has plenty of potential for more

sporting events and activities. The ball court at Weston Hub is being refurbished, and will shortly be open for us all to use. Our young people would love to form a basketball team and have proper training. And there must be other ideas that would really help to be discussed.

Maybe open air gym equipment? Maybe new clubs for tennis, netball, volleyball, 5-a-side football? Cycling groups?

A Rambling group? Disabled sport?

By forming a local sports association we could apply for funding for new developments. And with a bit of publicity we could organise regular football and other games on the Rec.

**Come to the Open Evening with your ideas, and let's all see what we can do.** Organised by Future Weston.

## New Map of Weston Village

There's a new map of Weston Village, on the wall of the Parish Hall on the upper pavement. It's an overhead view of the area, with lots of information on the history of Weston from Roman times to the present day. It includes a walk around the village to see historical buildings and interesting places.

The artist is Finola Stack, who lives in Weston, and all the historical information has been prepared by Michael McCarthy and Michael Rockey of the Weston Heritage and Research Society. It was funded by the Ward Councillor Empowerment Fund, and by Tesco in Weston.

The Weston Village Map has been developed by the Future Weston community association, to help us all to

know our area better, and to provide some interesting and welcoming information for visitors to the village.

Tea towels of the map are available at the Western Coffee Lounge, and a leaflet is planned.

As well as offering the magic of working with young people, we are also able to offer volunteers the opportunity to experience adventurous activities using our own equipment with tuition and training given. This is in addition to the usual sharing of skills for things like crafts and the teaching of fair play. We are also able to offer those volunteering with us who are under 25, the opportunity to gain their Duke of Edinburgh's Award, including the very prestigious Gold award. Full leadership training is available to volunteers including online tuition. Volunteers will be required to undertake Safeguarding training and complete a Disclosure Check. We also offer musical tuition, so we are able to accommodate anyone looking to learn, improve and/or teach, from an extensive range of instruments.

## FUTURE WESTON

Future Weston is a Community Association of local people who feel passionately about the Weston Village area – coming together to find ways to improve our area and the lives of all of us who live here, working with other local and city-wide organisations and the local Council as needed. Current projects include...

- Planting trees on the hillside above Purlewent Drive
- Producing a big Weston Village 3-dimensional map showing all our streets, together with points of interest and the history of the village – to be displayed in the middle of the village and on leaflets for walkers
- Developing a Community Garden outside Weston Hub, for everyone to enjoy
- Developing a Community Garden outside the Moravian Church on the roundabout, for meeting people and relaxing together
- Developing more activity and sports facilities on Weston Rec, to make more use of this wonderful space in the village
- Launching a Weston Wombles project – so lots of us can become Wombles and keep our streets looking clean and tidy
- Encouraging the planting of more plants and flowers in different areas in the village

If you'd like to be involved in any of these things, or have other ideas for brightening up the village and supporting each other, then please contact Peter Heywood on [peter@heywood.co](mailto:peter@heywood.co)

I am a friendly local one-woman gardening service. If you need help with light maintenance, planting, weeding, watering, and tidy-ups, or if you're looking for advice about what plants to choose and how to care for them, I'm here to help. Please call **01225 975548** or email [annie@anniesgardening.com](mailto:annie@anniesgardening.com)

### Do you need plants for the garden?

Denise is raising money for Serve Africa by propagating and selling plants: over 300 plants available throughout the growing season on the front lawn **2 Cranwells Park, BA1 2YD**. Do, please come and have a look! Your generous donations for the plants are much appreciated. Money raised allows internally displaced Ugandan young people in the Refugee camps near Mbalala to receive Secondary Education or vocational training. This will enable them to get work, support their families and move out of desperate poverty. Every penny you give will go towards this and just £2 provides a day's schooling, Thank you so much for your support, which can make such a difference.

### Are you concerned about protecting nature and the environment? Eco Together

We hear increasingly from scientists and naturalists such as David Attenborough that man-made climate change is the biggest threat we face, and that urgent action is needed to protect the future of humanity and all life on earth. But, how can we respond positively as individuals to such a big issue? One option is to join 'Eco Together', a new Bath based project, which provides a

structure, information and ideas to work through in small groups over 5 sessions, with a focus on finding practical ways of making a positive difference as individuals and as a community. If you are interested in joining with like-minded people in a small friendly group in Weston and Newbridge you can find more information at <https://ecotogether2030.wixsite.com/info> or contact [sueat38@gmail.com](mailto:sueat38@gmail.com)
